Graham Golf, LLC Honored at the 12th Annual Aggie 100

Recognizing the Fastest Growing Aggie-Owned or Managed Companies in the World

Cypress, Texas – November 29, 2016 - Texas A&M University recognized **Graham Golf, LLC** of **Cypress** as a member of the **2016 Aggie 100**, which honors the fastest-growing companies in the world, owned or operated by Texas A&M University Former Students. **Graham Golf, LLC** was ranked **13th** with a compound annual growth rate of **96.978%** from 2013 through 2015. The Aggie 100, a program created by the Center for New Ventures and Entrepreneurship in Texas A&M University's Mays Business School, honors graduates from across disciplines for their entrepreneurial endeavors and success as business leaders.

Mariner attended Texas A&M University with visions of a degree in golf course & landscape architecture. It wasn't until 1999, when he accepted an internship at Briarcrest Country Club in Bryan, TX that he realized what was missing in his studies. He didn't want to draw it. He wanted to build it!

The 100 Aggie-owned or Aggie-led businesses with the highest annual revenue growth were recognized on Friday, November 11, 2016, at an evening gala in the Hall of Champions at Texas A&M University's football stadium, Kyle Field. The honorees were joined by employees, faculty, administrators, current students and fellow entrepreneurs to celebrate their success.

"The 12th Annual Aggie 100 is a very impressive representation of Aggie excellence. The companies reflect 1,352 years of experience bringing the best to their respective industries and keeping the Aggie entrepreneurial standards alive and well," said Richard H. Lester, executive director of the Mays Business School's Center for New Ventures and Entrepreneurship. "We're so proud of these top 100 performing Aggie entrepreneurs, and we celebrate the success of all Aggie companies that live by the Aggie Code of Honor: Aggies do not lie, cheat or steal or tolerate those who do. We need more of that in today's business world."

The Aggie 100 list in its entirety may be viewed at www.aggie100.com.
